check your local mechanic to see if they do that work. Priuses are the most targeted car, honda elements are also targeted.

Also, electric bikes thefts are on the rise in nearby neighborhoods like Venice and the Marina.

Once stolen, most are gone & never returned, BUT the few cases when they were returned & found was when they had Apple GPS trackers hidden on them. The victims called the police and

it was easily discovered and returned. Consider apple trackers for your bikes, electric bikes, & other valuables.

Again, not just electric bicycles but apple trackers could also work well on vehicles or valuable property.

Older vehicles that do not have a gps tracking system like new vehicles have been recovered

immediately when  
victims placed trackers on it.

### **Hot Crime Information :**

There are mainly two types of residential burglaries : 1) homeless breaking into garages at night and taking bikes, tools, and misc property. 2) multiple blacks entering backyards, smashing the glass door, and taking jewelry, cash, high-end watches & high-end purses.

There has been a large spike of the second type of residential burglaries for the past several months that occurred mainly between National Blvd and Venice Blvd, between Centinela and the 405 Freeway.

Close to RD 1401 & 1402, but they never went north of National Blvd.

In February, the burglars started to go to the neighborhood just east of the 405.

On 3/08/23, at 2400 blk Amherst, two male blacks smashed rear glass door, and took a lot of jewelry and cash.

This could be the first sign they will be looking to commit burglaries in RD 1401 & 1402. A new neighborhood, and they made a good score with their first hit. A good reason for them to continue to hit this new neighborhood in RD 1401 & 1402.

### **Crime Prevention Tip :**

If you see suspicious activity, call the police immediately.

Watch out for unfamiliar male blacks between 18 and 25 years wearing covid masks outdoors.

Watch for suspicious vehicles with paper plates.

Know your neighbors and keep an eye out for each other.
