Community Plan Committee:

Receiving voluminous feedback from stakeholders in all zones, most of which expresses concerns over proposed upzoning and its affordability and quality of life impacts on the community.  
These concerns, along with concerns over brevity of comment window have prompted Dept of city Planning to propose the extension of substantive comment window to January of 2021 at which time a second Draft will be issued. Awaiting confirmation.

Presentation by stakeholder Bill Pope at Sep 22 meeting generating a great deal of stakeholder discussion and input.

Dept of City Planning holding Workshops, open to all, on Project Planning and Community Planning on :
