(What's working? What's not? How do we share the workload better? Does our current budget allocations reflect the board and communities priorities? Are there issues or opportunities we're missing? How do we try to make the workload more reasonable for everyone? What changes might we consider to help directors be more successful/effective? Is there additional support or training needed to help MVCC be more effective? Are there community partners and stakeholders we need to reach out or work on improving our working relationship with? How do we balance this volunteer work with our other priorities?)
 6. Future agenda items
