COMMITTEE: Outreach

PURPOSE: Magnetic Notepads with MVCC personalization

BACKGROUND:

MVCC's Outreach's Committees' purpose is to engage with stakeholders and create awareness of what MVCC is working on. To accomplish this, we communicate with stakeholders through weekly emails, newsletters, and website. Most recently, we are able to have a table at the Mar Vista Farmers Market where we will have the opportunity to meet our community in person, let them know what is happening with MVCC and encourage them to participate. With that, we would like to give away items that are both useful and informational.

THE MOTION:

The MVCC approves an expenditure, not to exceed \$600 for costs (e.g., designing, producing, delivery) Magnetic Notepads with MVCC Personalization for distribution to stakeholders at events/ meetings for example. These would be a very useful notepad for those of us who need to write a note and are constantly looking for that piece of paper, and end up using the envelope of a bill that is laying around.
