

# Venice Blvd.

## Safety and Mobility Project

### Project Overview

The City of Los Angeles and Metro are upgrading mobility on Venice Blvd from Lincoln Blvd to National Blvd. This project proposes to improve comfort and safety for all who travel on Venice Blvd, by protecting the existing bike lane, dedicating a lane for faster and more reliable bus service, and adding safety features throughout the corridor.

# You're Invited!

The City of Los Angeles and Metro are upgrading mobility on Venice Blvd from Lincoln Blvd to National Blvd. This project proposes to improve comfort and safety for all who travel on Venice Blvd by protecting the existing bike lane, dedicating a lane for faster and more reliable bus service, and adding safety features throughout the corridor.

Please join us to learn more about the proposed new design, ask questions, and tell us what you think. We want to hear from you! Help us make sure the project reflects the priorities of everyone who uses the street.

**August 31, 2022**

**6:30pm - 8:00pm**  
Virtual Meeting

## Project Goals

Improve traffic safety and reduce fatalities and severe injuries caused by car crashes

Enhance connectivity to jobs, social services, transit and community resources

Support sustainable modes of transportation (biking, walking, rolling, transit)

Prioritize buses to improve travel times and reliability

Increase access to Metro E Line (Expo)

Improve access to Venice Beach from inland neighborhoods
