THE MOTION: The MVCC requests that the LA City support WLASNC's request for a public park and skateboard facility, as part of the West L.A. Commons project, that maintains high-density housing and numerous affordable units. This park would serve the 2,500 tenants of the project as well as the 5,000 neighbors who live on the south and don't have a park (many are low-income households), and visitors from Westwood, Mar Vista, Bel Air-Beverly Crest and Brentwood who visit the Felicia Mahood Senior Center and the West L.A. Municipal Building.
