To Whom It May Concern:

The Mar Vista Community Council Board of Directors, at its regular September meeting, approved the following motion:

The Mar Vista Community Council supports the elimination of the MTA design option that includes the parking lot at the proposed Westwood Station for the METRO Exposition Light Rail line. It further moves that MTA provide lush landscaping and a ten foot tall sound/visual wall between the residents' property and the land to the train and green space securing the privacy of adjacent homes north and south. It further moves that MTA work with Westwood Gardens Civic Association and ROW residents to mitigate the impact that station and land use will have on adjacent homes. The MVCC support of this motion shall not be construed in any way as support of the At-Grade Crossing along the Expo Line.

Thank You,

Albert Olson
