Dear Ms. Echavarria and Ms. Reynolds:

At its February 9, 2021 Board meeting, the Mar Vista Community Council passed the following by a vote of twelve ayes, zero noes, and three abstentions:

In order to determine the success and future market for LANow microtransit shuttle service in Mar Vista, the MVCC requests the one-year data for the LANow microtransit shuttle pilot project, including daily ridership broken down by hourly segments, number of daily trips, location of shuttle pickups in Mar Vista and any relevant data from the LANow app including the number of requests made in the MVCC boundaries of Mar Vista.

The Board believes these data are essential for it to fulfill its obligation to serve its stakeholders. It is my sincere hope that LADOT will choose to facilitate that mission and provide the requested data.

Sincerely,

Elliot Hanna, Chairman
