Westside Pacific Villages services are now available in your neighborhood.

What do we do?

The mission of WPV is to help older adults (55+) remain as active and independent as possible, in the comfort and security of their own homes and neighborhoods, for as long as possible. We do this by providing services and programs that promote healthy and engaged living and it is done with compassion, dignity and respect. We believe our efforts provide enrichment to, and help improve the health and well-being of those we serve.

Who can join?

Adults 55 and older are eligible to join. Our cost for membership is \$600 per year. We also offer a Household membership for \$900 per year. By becoming a member of WPV, you will have access to many resources that will help make your life easier. Our goal is to provide you and your family a sense of security with the knowledge that WPV is there to help and just one call away.
