

DWP Advocacy Committee

Meeting Notes
November 4, 2017

The meeting was chaired by Jack Humphreville, Chairman.

Dr. Fred Pickel, Executive Director of the Department of Public Accountability/Ratepayer Advocate, discussed water trends in single family residences. Since the establishment of the latest multi-tier water rates, there has been a drop in water usage of between 10% and 30% depending on the geographical zone. Dr. Pickel's slides are on the MVCC web site. (See Committees->Liaison Committees->DWP-NC MOU Oversight Committee)

Mr. John Chen, LADWP Director of Corporate Performance, discussed the Rates Metrics and Equity Metrics Data Initiative which is part of the LAWDP Rate Action approved by the Mayor and City Council earlier this year, and subsequently reviewed and approved by the DWP Board of Commissioners. Mr. Chen's slides are on the MVCC web site. (See Committees->Liaison Committees->DWP-NC MOU Oversight Committee)
