1. PRESENTATIONS

1. Lisette Covarrubias, Neighborhood Liaison, Department of City Planning will provide an overview presentation on the recently released draft of the Process and Procedures ordinance. The proposed ordinance comprehensively reorganizes the administrative provisions of the Zoning Code.
2. John Chen, LADWP Director of Corporate Performance As part of the LADWP Rate Action approved by the Mayor and City Council earlier this year, and subsequently reviewed and approved by the Board, LADWP established the Equity Metrics Data Initiative (EMDI) to track, measure and report on how LADWP programs are provided to all LADWP customers and residents of Los Angeles. The EMDI establishes a framework that helps ensure that we provide fair and reasonable services to all ratepayers. Stakeholder outreach and participation are a critical component of this initiative to ensure equity for our customers.
