

MVCC Santa Monica Airport Committee Mission Statement

Recognizing that many neighborhoods within the MVCC borders are located either directly under the flight paths of, or immediately adjacent to, or impacted by, the Santa Monica Airport, it is the mission of the MVCC Santa Monica Airport Committee to

- Investigate and research the ongoing health, safety, environmental, monetary, and quality-of-life issues created by the activities of the Santa Monica Airport,
- Search, and advocate, for solutions to these issues,
- Provide a framework in which MVCC stakeholders can interact with and support other community organizations involved in similar pursuits,
- Encourage Los Angeles city officials to take part in the search for solutions to the above mentioned issues
- Communicate to the City of Santa Monica the concerns of Mar Vista and West Los Angeles residents with regards to the Santa Monica Airport
- Educate state and federal officials to the health and safety issues with regards the Santa Monica Airport , and encourage legislative and administrative action at the state and federal level of government on these issues.
