

# LAWN BE GONE!

Want to save water?  
Ready to tear out your lawn?  
Don't know where to start?

We're offering FREE Hands on Workshops (HOWs) where you will learn HOW to:

- Tear out turf without chemicals
- Capture rain water
- Build healthy living soil
- Plant California native plants

**ATTEND** a free workshop and learn how to create a sustainable garden!

Added bonus: All attendees will receive a discount coupon for an EcoGardens site evaluation.

Saturdays: March 10 & 25 from 9am - 3pm

Mar Vista, Los Angeles 90066
