

Mar Vista Bi-Monthly LADOT/CD11/LAPD Traffic Committee Meeting
March 28, 2018 at 10:00 a.m.
West Los Angeles Office of CD11 Councilman Mike Bonin
1645 Corinth Ave., 2nd Floor, Los Angeles, CA 90025

AGENDA

Call to Order.

Approval of Minutes of January 17, 2018 meeting.

Agenda items for discussion are as follows.

LADOT Agenda Items

Old Business –

None.

New Business – Items for Discussion:

Item #1: Stakeholder requests that timing of left turn signals at National & Sepulveda and at Sepulveda & Palms be made longer. [LADOT]

Item #2: Stakeholder requests a traffic mitigation study to solve a severe afternoon commuter cut-thru problem in the 3700 block of Wade Street, with traffic backed up from the signal light at Venice Blvd. north to McCune and sometimes past McCune to Victoria, and suggests posting appropriate signs to limit access to the street during those commuter hours. This is a narrow residential street and the massive cut-thru traffic by drivers trying to cross or turn eastbound on Venice Blvd. makes it unsafe for residents to access their homes and enter or exit their driveways, and also for emergency vehicles to pass through the street. [LADOT]

Other Agenda Items:

Old Business –

Item #1: Follow-up report re: study of a stakeholder's request that street lights be installed on Victoria Ave. between Walgrove Ave. and Beethoven St. where there presently is no street lighting -- stakeholder says street is "super dark" and lighting installation is a matter of nighttime safety for visitors and residents on this street -- and as to whether DWP will install the lights and if so when, or if there is an alternative plan. [CD11]

Item #2: Follow-up report re: a stakeholder request for information as to how to acquire a parking permit near his apartment complex at 3528 Sawtelle Blvd. so he can leave his car parked close to the front of his home for more than the current posted time limit. [CD11]

New Business –

Item #1: A stakeholder has requested adding crosswalks at Barrington and Sardis and at Sawtelle and Graham Place. [CD11] (**Note:** If this is LADOT work-related, please move this item to the LADOT Agenda as New Business Item #3.)
