7.1. **[POLICY] [PLUM]** – Discussion and possible/potential action regarding the development at 12904 Palms Blvd (Previous Beethoven Market) – New Owner will discuss the project and answer questions from the community.

Per Q&A with the Developer/Owner, Jeremy Adler (JA):

Owner comments:

- The development will be a café with a small market component, a kitchen, & healthy food options. There will be a full bar and a separate room for wine sale. He wants it to be a place that's for all socioeconomic classes. He is here to have a conversation and to hear the community's concerns.

Community feedback:

- Concern regarding hours of operation. Some understood it to be 7am – 11pm.
JA response: Liquor license allows 7am – 11pm, but realistically, hours of operation will more likely be 8am – 9 or 10pm. He will be cautious & thoughtful about hours of operation.
- Concern regarding parking.
JA response: No answers right now, as parking requirements have changed because how people get to places have changed.
- Concern regarding speakers outside of the building.

JA response: Music will be played. Studies have shown that more speakers can allow more control to reduce volume.

- Will there be bike racks?

JA response: Currently, there are no bike racks in the plan, but if it becomes a concern, he'll add one.

- Concern expressed that the development was understood by the community to be a market & café, but now is becoming a fully-functioning restaurant.
- The community recommends a website as a source to provide information and updates to the community and future patrons.
