### APRIL CRIMES AT A GLANCE

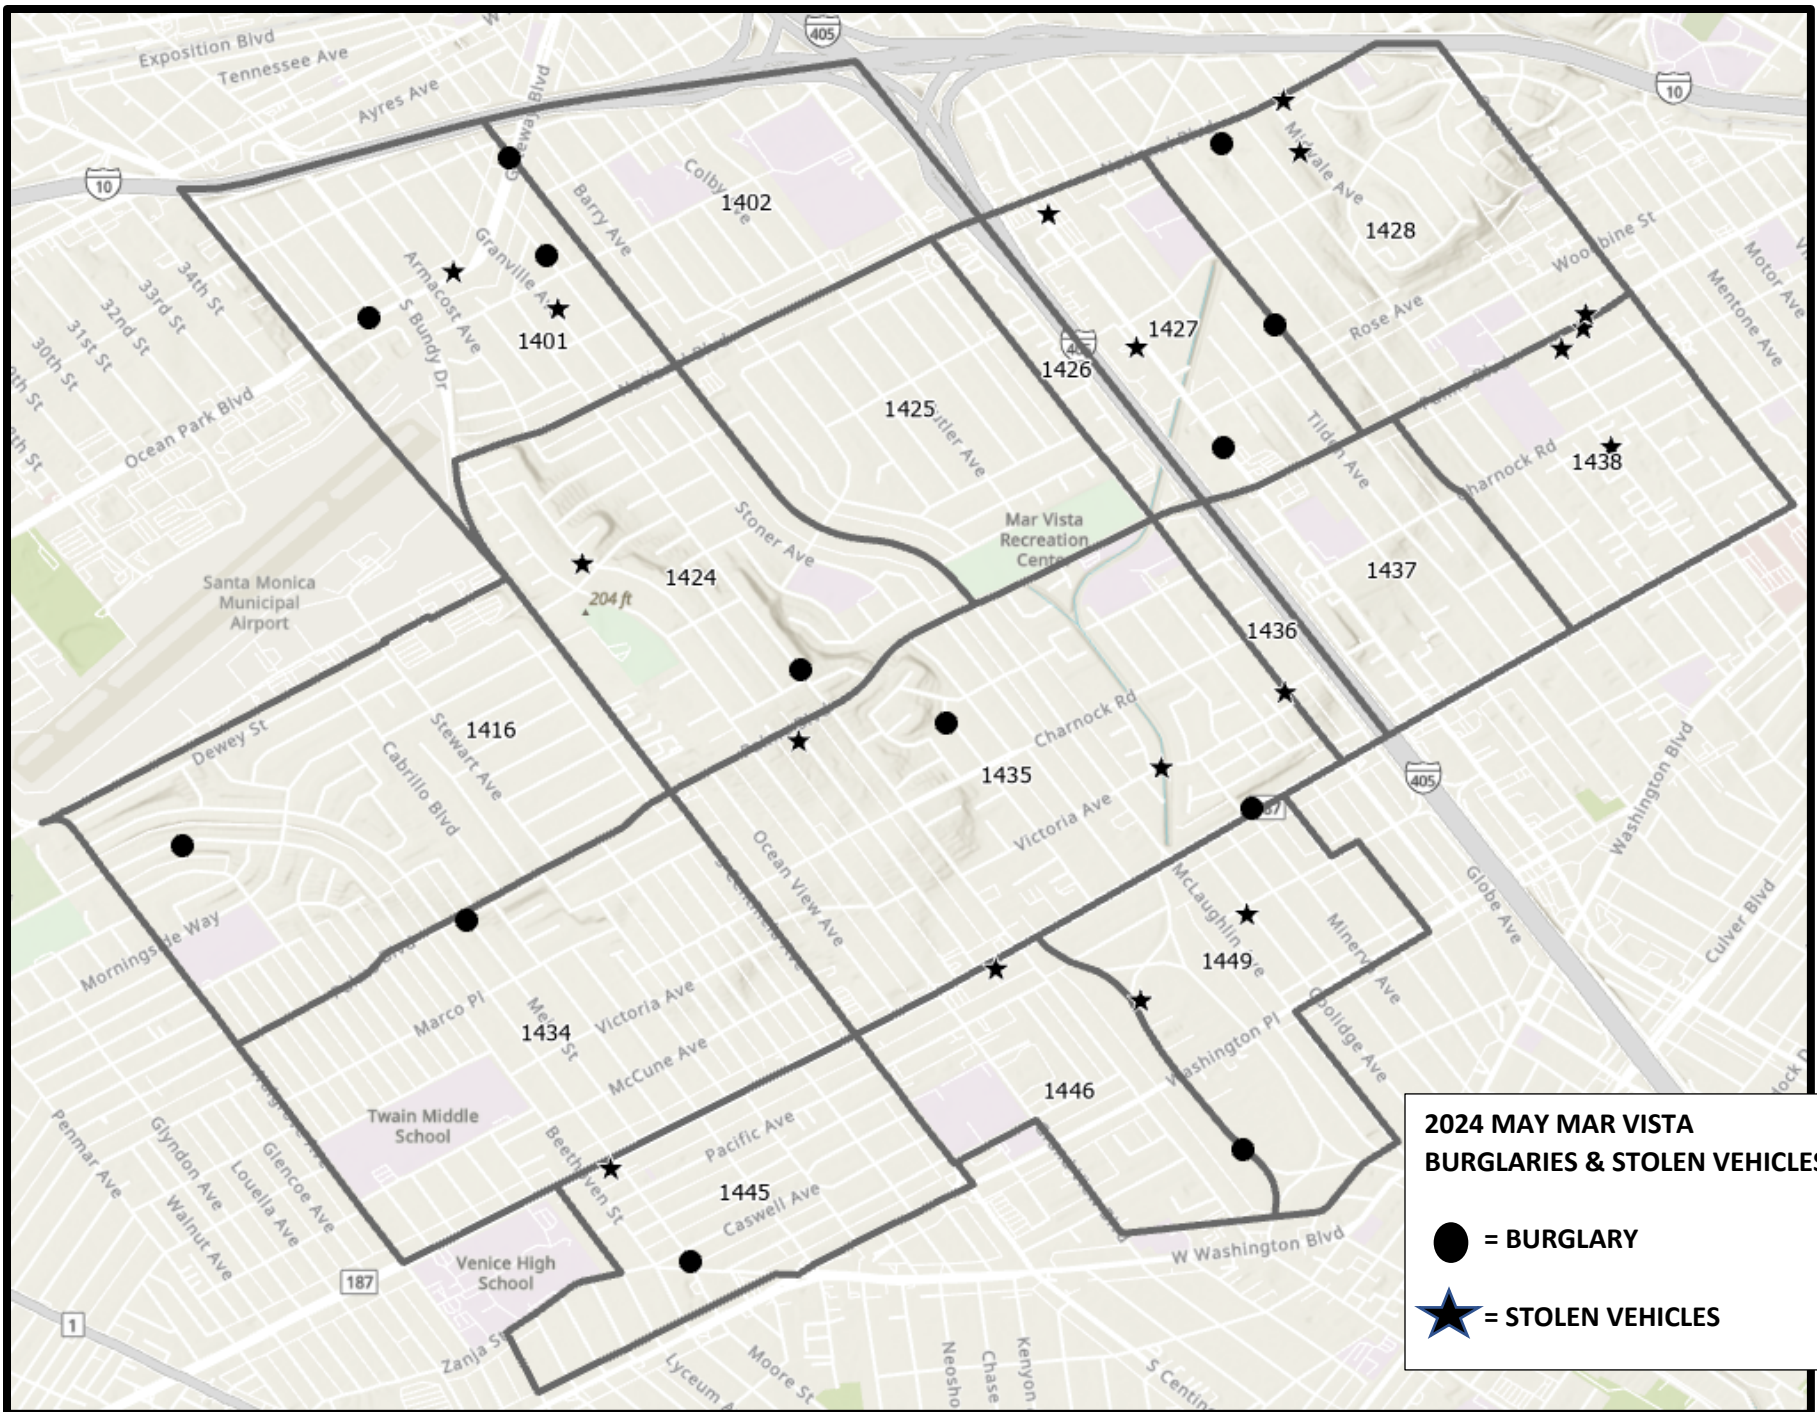

For the month of May, residential burglaries continued throughout the Mar Vista location.

The M.O. mainly is multiple burglary suspects in a vehicle (sometimes two vehicles), enter the residential backyard, smash the rear glass door, and ransack the house. They target jewelry, cash, and high-end purses & watches.

Of the six aggravated assaults, four were domestic-related.

For the 19 Grand Theft Autos (stolen vehicles) , there were various types of vehicles targeted throughout the Mar Vista Community Council area. Reminder, most of the stolen vehicles and electric bikes stolen were due to the citizens having AirTags or a GPS tracker in the vehicle. They can be purchased for \$25. Consider the investment.

Another crime trend on the increase again are catalytic converter thefts from vehicles. As it subsided slightly at the beginning of the year, there were ten reported in Mar Vista in May. Nine of the ten catalytic converter thefts targeted 2014 to 2019 Toyota Corollas.
