**Funding NPG Motion**

COMMITTEE: Education, Art, and Culture Committee (EACC)

POSITION: FUNDING NPG

TITLE: Richland Elementary Funding Motion

THE MOTION: MVCC approves Richland Elementary's Booster Club's NPG application for \$5000 dollars.

BACKGROUND: Richland Elementary does not have fence covering or playground shade. Both of which have been an issue. The playground asphalt gets very hot during the school day, and the lack of shade in the background due to the lack of both trees and awnings. In addition, the playground fence does not have a cover and as a result child have witnessed inappropriate behavior from outside of the fence. LAUSD has a long list of work orders for fence coverings, and no timely action is in the works. LAUSD procedure for planting tree's costs about \$30,000 to get the asphalt tested, appropriate trees tested, and a number of other procedures. All vendor estimates are LAUSD approved. Total cost is \$9,000, asking for \$5000. Additionally \$4000 will be covered by remaining funds from previous year and current year fundraising efforts.

Richland Elementary is a public LAUSD DUAL LANGUAGE TWO-WAY IMMERSION FRENCH, with a Label FrancÉducation awarded by the French Ministry for Europe and Foreign Affairs.

Located in zone 2

5) **How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)**  
 The grant will benefit the well-being of the young students at Richland ave Elementary school in two ways:

1. Create barrier from public view, and prevent indecent exposures of pedestrians. There is an unhoued camp in the school neighborhood. We had an incident of an unhoued, undressed individual walking near our school fence. The privacy screen will safe guard our students from such indecencies.
2. As the climate in California fortifies, the summers are getting hotter and hotter in terms of temperature. With the latest passing of the California 2023 SB 515 for Protecting Californians from Extreme Heat, we are aiming to purchase and install sun shade sails on the campus.
