## **CRIME PREVENTION TIPS**

Send messages and emails of your concern to Councilwoman Traci Park and Mayor [Traci Park for Los Angeles City Council | Traci Park](#)

If there is a homeless location or encampment and you email the appropriate section on the councilwoman's website, her team places it on a clean up list. If enough people complain about a certain area, it gets placed high on the list quicker.

\*Put timers on interior lights in the evening so your house will not be dark for multiple days in a row.

\*Let your neighbors know you will be gone and have them keep an eye out while you are gone.

**\*Remember: Rear glass doors or rear sliding glass doors is the number one entry in residential burglaries.**

**\*Consider investing in an inexpensive jewelry box with costume jewelry that appears real to use as a decoy.**

**Place it in an easy to view area on a dresser. In case burglars entered your residence, they will easily find that and leave quickly.**

**\*For your vehicles and electric bicycles:**

**Place AirTags or trackers in your vehicle for quick recovery in case it gets stolen.**
