TITLE: [Council File 14-0499-S7 \(BALLONA CREEK BIKE PATH EXTENSION PROJECT / BALDWIN HILLS / WEST ADAMS / ACTIVE TRANSPORTATION PROGRAM / 2024 CYCLE 7 CALL-FOR-PROJECTS\)](#)

COMMITTEE: Transportation, Infrastructure, and Sustainability (TI&S) Committee

POSITION: SUPPORT

THE MOTION: The Mar Vista Community council still strongly supports this project and laments the fact that ATP funding was cut so severely. The MVCC urges the City Council to continue pushing for this project to be completed, pressuring the state Government for increased funding for the ATP program.

BACKGROUND:

- The Ballona Creek Bike Path extension was an approved project by the City Council, but did not get approval for Active Transportation Program Cycle 7 due to budget cuts.
- This CIS can demonstrate continued support from the community for a project that already received approval but is now languishing.
- The Ballona Creek provides a great opportunity for expanding bike infrastructure and allowing for increased commuting via active transportation.

DIRECTED TO: City Council and Committees, including the Transportation Committee
